Gotta

+cough+ +cough+--
you got guts
showin' yourself
around this
town again...

Sorry
to ruin the
homecoming--

PTOO!

Know it
ain't personal,
li'l miss...

Honest--
+cough+
+cough!+

You saved
my nephew from the
bird-man way back when--
ooh, what wuz its name?
The--uh--inventor? Yea,
him-- +cough+ +cough+--
oh, ow!

Anyway,
he's a good kid--
my nephew. Goes
to law school n'
everything'.

His dreams
came true...

... 'cus
of you.

Wanna know
what I dream 'bout,
Mizz Marvel?

I dream of
a purified
Jersey City...

...quiet...

...honest...

...and
mutant-
free.

Take it
from me--some
dreams are better
left in your
head.

FLUCCC

SCREECH!

Thanks, Ms. Marvel. We'll take it from here.

YOU AND YOUR KIND ARE GONNA PAY! YA HEAR ME?! OH GOD! OH--YOU **BROKE** MY RIBS--AGH! YOU LI'L \$E&#!

Thanks, Ali.

Sir, Ms. Marvel is a known mutant. These guys are *criminals*--we have to call someone from *Orchis*!

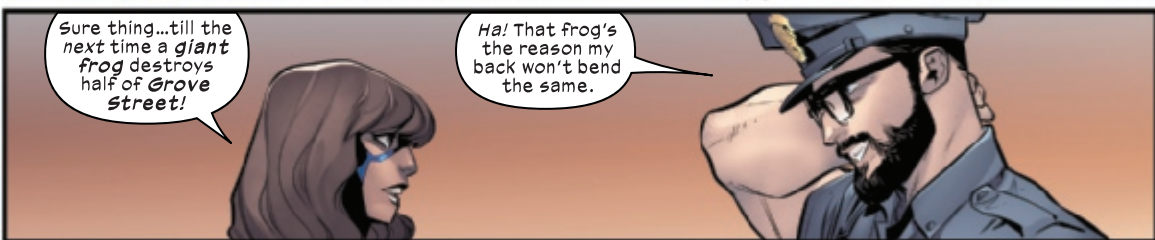

The only "criminal" here, officer, is cuffed and wearing pantyhose over their face.

Sir--
Ms. Marvel is a *friend*. End of discussion.

Yes, sir.
You're not gonna get in trouble for that, are you?

Kid, you've saved my butt more times than I can count. Call it even.

Sure thing...till the next time a *giant frog* destroys half of *Grove Street*!

Ha! That frog's the reason my back won't bend the same.

Sir! We should get going!

You better get a move on too, Ms. Marvel--before any one of them fellas with a *smartphone* finds you here.

You got it, Ali. Thanks again!
Stay safe, kiddo!

Gah!

...
Well, *this* better not become a problem.

Jersey city
stands divided...

...all because
I had an *outfit*
change.

She's probably
faking the
mutant thing for
attention.

Actually, being a mutant is a very
serious but curable disease! It's
people like you who make Ms. Marvel
feel like she isn't supported enough
to get the treatment
she needs!

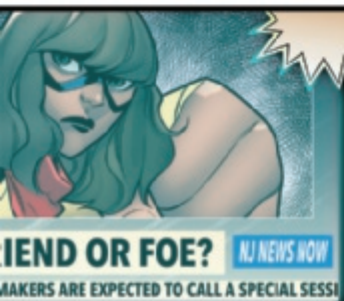

Oh,
please,
Greg!

"The once-beloved
super hero's recent
affiliation with the X-Men
has evoked suspicion
among residents as to
the true nature of her
intentions, leaving
many to wonder
whether Ms. Marvel's
actions might
jeopardize the
safety of the city
she once swore
to--"

Would you stop reading that
nonsense?! Ms. Marvel is a *national
treasure*, and in this household,
we love her no matter what!

Isn't that
right, my darlings?
We looove Ms. Marvel,
don't we?

WAAH!

I'm not
lying! Ms. Marvel
was on your street
THIS morning! Check the
Mutant Watch app,
it's all there!
